

INTELLIGENCE RESEARCH & DEVELOPMENT COUNCIL

Chairman IR&DC

*Dub -*

6/23/81

I have drafted the attached for your signature which will provide for work to begin on the two studies which were asked for by Admiral Inman.

STAT

I have talked to Les Dirks and he agrees to sponsor the imagery study, but I have not talked to [ ] about the shuttle report as I thought you would probably wish to do this yourself.

If March ~~1~~ will give me a call after your signature, I will pick up the memo and arrange for distribution.
